# Nadar Alpenidze

## Personal info

**Website:** https://nadaralp.com
**Address:** Tel Aviv, Israel
**Phone number:** 0536201915
**Email address:** nadaralp16@gmail.com
**GitHub:** https://github.com/nadaralp
**A word about me:**
Successful and adaptable Software Engineer possessing broad technology experience and an energetic, positive attitude seeking challenging opportunity to further expand my technical and leadership growth in a company dedicated to nurturing an innovative, dynamic environment.

## Profile

✅ **Competitive Programmer and Algorithms enthusiast**

✅ **National Mathematics Competition Winner**

- Skilled at writing well-designed, testable and efficient code using development **SOLID** methodologies and **Design Patterns.**
- **Fast learner**, hard worker, meticulous and team player.
- Critical thinker to find creative solutions to complicated and subtle software coding issues - **Algorithms competitive programmer**.
- Programming is more than just a profession for me, it's my passion. I also participate in coding challenges, read books about programming, and help the community become a better place!.

✅ **FULL STACK DEVELOPMENT SKILLS**

- .NET Framework, .NET Core, C#, REST, ASP.NET MVC, ASP.Net Web API, NodeJs.
- Database/Storage/ORM: MS SQL Server, MySQL, CosmosDB, SQLite, MongoDB, Firebase, Entity Framework, Mongoose.
- Core Web Technologies like: HTML/HTML5, CSS/CSS3, JavaScript, TypeScript, ReactJs (Hooks, Redux, TSX), SCSS, Webpack, Babel, NextJs.
- CMS: Umbraco, Django, WordPress
- Version Control: GIT, TFVC,
- Other Tools/ Services: Swagger / Open API Spec, OAuth2, LINQ, AutoMapper, Fluent API, CSS Animations, **STRONG Googling skills**, VSTS, Agile, Scrum.
- Cloud technologies: Azure

## Work experience

07/2019 – present

### Full-Stack Developer
### YIT - Yedioth Information Technology
- Developed a critical software program that served as a **CI/CD infrastructure** for all projects that were developed in my team. The project was built and designed from scratch using **.NET and Azure**
- Continuously lead my team for innovation, presenting and adding new technologies like **TypeScript, .NET Core** to strengthen project maintainability and scalability.
- Worked closely with external customers, designers and project managers via the **Scrum** methodology to deliver amazing looking **Full-Stack** projects using **React**, **CSS Animations, Git** and numerous other tools.
- **Taught and monitored** new developers crucial software methodologies like, **SOLID design principles and Design Patterns**, crafting them the ability to see and

# Work experience

understand best practices, and perceptions for rapid growth and prosperity.

- **Rewritten old software** and services from scratch to rejuvenate and improve them, leading to improved quality and performance which lead to a better ability to perform **Scrum methodolgoy**.

05/2018 – 05/2019

### Full-Stack Developer
**EnsoGuard Ltd**

- Built responsive, **mobile first** websites using **HTML 5, TypeScript, CSS3, Firebase** and improved the look and feel of old websites
- Worked with third party services like **OAuth** and **Open-ID Connect**.
- Designed and developed **MSSQL** architecture and **Python** software to monitor and run company's internal automation.
- Worked closely with a senior developer to learn the best approaches and conduct towards software development and project management. Continuously asking questions and improving.
- Developed on **Azure** cloud environment.

# Education

07/2016 – present

### Computer Science
**Online**

- A true **self learner** which is not afraid of challenge. Didn't stop me to attending the **best companies in the world** and becoming **strong algorithm competitor**
- Continuously learning new technologies every single day online. **5 AM morning routine**
- Having a self personalized curriculum.

08/2013 – 08/2016

### Computer Science
**Ohel Shem High-School**

Diploma highlights:

- 5 units in mathematics
- 5 units in physics
- 5 units in Software engineering
- 5 units in Web development
- 5 units in English
